CONFIDENTIAL STATEMENT

We value and respect the intellectual property of all participants in our project. We assure you that any information you submit, including model architecture, Colab code, and checkpoint, will be treated with the utmost confidentiality. We will not disclose or share any information without your explicit permission.

We understand the importance of protecting your research and intellectual property rights, and we will do everything in our power to safeguard them. We appreciate your trust in our project and look forward to seeing your amazing contributions.

If you have any questions or concerns, please do not hesitate to reach out to us. Thank you for your participation in our project.

Sincerely,

Keunwoo Choi, Gaudio Lab, inc.
